Welcome back everyone. I want to remind everyone that beginning September 18, 2014, we are back on our regular meeting schedule on the third Thursday of each month. Hope you all had a wonderful summer and are bringing in all your lovely pieces for Show and Tell in September.

We have a very full year coming up. As you may have heard, we have three wonderful classes coming up in 2015. I do hope that everyone who has indicated their interest follows up with their checks, as these classes are all reasonable and are wonderful opportunities for us. All the necessary class information is listed further in the newsletter.

On another note, the Tucson ANG chapter has changed their standing rules (as have we) to give us reciprocity for their out-of-town teachers, which opens up a whole new venue of upcoming classes. They will be staying in touch and we will be bringing their class offerings to you all as they come up.

I would like to tell everyone that over the summer we renegotiated our contract with the Holiday Inn. Our rent went up \$6.00 a month but the Board felt we could handle that, so we have a home through 2015.

On a more somber note, we have two Board positions coming up for election in November. Alice Hall and Jean Bennett have both been on the Board for many years and are needing a break. We would like to fill the Treasurer's position sooner than November. Alice will continue to teach for us, as teaching is her first love. I would ask that all of you consider whether or not you could step up and run for an office. I know that everyone has busy lives, but the Guild needs your help. If you find that you are interested and can join the Board, please let either Alice or I know. Additionally we are going to need a nominating committee.

Also a reminder that our stash sale will be held on our regular meeting date in October. Bring all the projects you will never get to and find some new ones to do.

ANNE

SAGUARO STITCHERS WEBSITE

Don't forget that we have our very own website, www.saguarostitchers.org. Karen Willett has done a wonderful job organizing and maintaining the website. It contains workshops, projects, newsletters, membership information, as well as links to local needlework shops, and other valuable information. Bookmark the site and check it often!

SUNSHINE COMMITTEE

Daphne Coulter is our Sunshine Committee contact. If any of you know of someone in our chapter who recently lost a loved one, or has developed a serious illness and could use a "Thinking of You" card, please contact Daphne with name and address information so she can send them a card. Thank you, Daphne!

NEED A RIDE TO MEETINGS???

Problems crop up and it's always on meeting day, right? If you need a ride, whether it is occasionally or to all of our meetings, call any of your Board Members. We will do our best to find you a ride. Needless to say, we are getting a bit older and moving just a bit slower, so you need to give us as much notice as possible for the best results. We will do our best to get you there.

PROGRAMS

The board has agreed that we can have ghosts for the program classes. The ghost program will work as follows: If there is a program you would like take and are unable to attend that meeting, you or a friend can sign you up. At the meeting when that program will be held, you or a friend will pick up your program (chart). I will only have charts available for those who have previously signed up. There may be an occasion when a chart has a copy right and we are only able to use it for those who attend the class in person.

"Echoes of Glass", by Carolyn Mitchell (signup coming soon)

This three-piece abstract design should be kept long, as the borders "bite" into each other. It features interrupted glass such as Tiffany, window and Crackle Glass. The simple elements capture the eye drawing it to the center of each square as you scan the overall design. A variety of techniques, 24 different stitches and fibers are worked on Santa Fe/Sage Green 18 count mono canvas. Fibers include ThreadworX, #5 and #8 Perle Cotton, Floss, #4, #8, #12 Braid, Sparkle Rays, Splendor, Flair, and Impressions. It sparkles with the addition of pearls and crystals. The finished design size is 15" by 5.75". There is advance preparation work for this class.

Proficiency level: Intermediate to Advanced

Class: 2 Days

Cost: ~~\$140~~ 100

Signup available beginning Sep 1st

2. Joni Stevenson - Colorful Crotons - picture and description attached. This is a pilot piece. Class to be held 3/13-14, 2015. Cost \$115.00. 50.00 non-refundable deposit due 10/31/14. Final payment due 2/1/15. Pictures of this piece may be viewed on our web page – www.saguarostitchers.org.

Colorful Crotons – Joni Stevenson

This piece is Joni's new teaching piece and she has requested that we pilot the piece for her, which we would do in March of 2015. This piece has a number of wonderful techniques which will include coloring canvas with coptic markers, learning to do applique on canvas and several other interesting techniques.

We had several comments at the last meeting to the effect that "the colors don't work in my house." I would say that for me personally this is short-sighted. I look at a class piece with an eye to what I can learn from it and I think this particular piece will be wonderful for teaching us things that perhaps we haven't explored.

3. Nancy Cucci - Stitches in Sterling Gone Rose - picture and description attached. Class to be held 11/14-15, 2015. Cost \$125.00. \$50.00 non-refundable deposit due 6/15/15. Final payment due 9/1/15. Pictures of this piece may be viewed on our web page www.saguarostitchers.org.

Stitches in Sterling Gone Rose – Nancy Cucci

Nancy Cucci, who lives in California, is interested in possibly teaching for us. Her Stitches in Sterling Gone Rose is a lovely piece which is done in silver and rose gold Kreinik on 18 count canvas. This is a companion piece to her Stitches in Sterling. The size is 7 x 7. She will allow ghosts for her classes. Nancy has agreed to stay with one of our members to help with our costs. This is a two day class.
