President's Letter, Charlotte Wells

Summer is coming on faster each year, or so it seems. I seem to be hard-wired to the academic year as I like to start big projects and heavy reading in October. The summer is for beach-reading, casual projects, Christmas ornaments, and finishing those WIPs. This summer I plan to catch up with the rest of the world, I have made a list! Don't even ask..... What are your stitching plans for over the summer? Show and Tell in October should be spectacular!

Saguaro Stitchers has another task in October and that is to elect a Treasurer, Assistant Treasurer/Membership, Vice-President/Programs and a Visiting Teacher Chairperson. Individuals elected for these positions will begin their two- year terms on the first of January except for the visiting teacher position. At the May meeting we need to choose a nominating committee or perhaps one person who would serve as a recruiter for the vacant offices.

Sandi Van Winkle, who has been very successful in securing excellent teachers, has served two years. We are so grateful for her work. At the April meeting she discussed her position and what it entailed. We need a volunteer to work with Sandi and begin the process for 2020. Sandi has secured some excellent teachers for 2019. Good teachers are booked two years in advance, so it is very important to begin now. Please consider volunteering for this important post.

Mel Isaac has volunteered to assume the duties of Treasurer. Sunny Yocum, the current Treasurer, is a CPA so our books are in great shape; balanced to the penny. However, she has been most reassuring that the office does not require a professional degree. Carmen Puckett has also volunteered her services as Assistant Treasurer and Membership Chairperson. We so appreciate the work Jan Prestin has been doing as the incumbent officer.

While Mel and Carmen have volunteered, we will hold our election in November and if members in good standing have an interest in those positions, please indicate your interest to a board member and we will put forward all names for consideration by the membership. And, in the meantime, there are still two unfilled board positions. Please consider making your contribution to the success of Saguaro Stitchers.

I had at first thought I would include the duties for each position in this letter. I have a confession to make; I had completely forgotten that the duties are outlined in the bylaws and each member has been given a copy. Please refer to the bylaws as they contain the official wording of the job descriptions for each position. If you have mislaid your copy, please ask for another.

Having been in management and supervisory roles in my working life, I had not planned to be a chief in my retirement but rather a loyal follower. But Saguaro Stitchers is a wonderful group with each member having a big contribution to make to the whole. I am enjoying working with all of you and I look forward to the new year with confidence that it will continue to go well.

Programs: Alice Hall

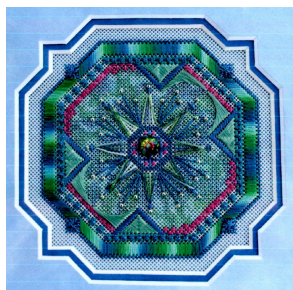

May 17th, We are thrilled to have Sandi Van Winkle give us a talk on Japanese Silk Embroidery, its history, tools, threads and the do's and don'ts. There will be several pieces for you to see. This is a beautiful needle art, not to be missed.

For those of you who order the Cheryl Schaeffer Triptych, there has been a delay in receiving them, the painters are behind. When they are received, they will be given out with color copies of the stitched models including Stitch and Thread suggestions sheets. These 3 pieces are a good use of your stash of threads

June 21st, July 19th and August 16th: stitch-in and social hours. Come out of the heat and enjoy stitching and each other. This would be a good time to finish those UFO's. Bring a lunch and spend the day. We have the room from 9am - 4pm.

Since I will not be attending in May, will one of you fine ladies please photo document her projects plus all the Show and Tell and email the information to me.

NEWSLETTER: Nita Rosemann, Editor

Now that I am getting more comfortable editing the Saguaro Newsletter, I am asking you, the members, for feedback. Please let me know if there is a particular topic or something that you would like to see in our chapter news. Since I am new to needlepoint, I have no idea what is “in” or what you would like to investigate. If you know of classes or other interesting activities of another ANG chapter, then please let me know about it so we can share the good news. You can always send me an email at: niftyneeda@earthlink.net. I am here to help keep all of you informed on the activities in our chapter.

If you are not able to make it to the meetings and have a finished project that you would like to share, please be certain to send a photo along with your thoughts about the piece (difficulties, changes you made, what you learned, etc.). It is always fun to see what others have done.
